

Serving the Loss Prevention Industry

The Loss Prevention Foundation is a not-for-profit 501 c (6) organization founded in 2006 by industry leading professionals to serve the loss prevention industry. Our mission is to advance the profession by providing relevant, convenient and challenging educational resources. We support this mission through a variety of ever-expanding initiatives, including two certification programs, on-line educational resources, a career-oriented membership program, student scholarships and a college and university program.

The LPCertified* (LPC) is a certification designed as advanced education for loss prevention management and executives hoping to further their career in the loss prevention field. LPCertified was designed with the input from 300+professionals from more than 130 of today's leading retail and solution provider companies. To earn certification you must pass the LPC proctored exam (200 multiple choice questions). You are not required to purchase the LPC course prior to taking the exam; however, it is the best study tool available.

*** The LPC qualifies towards Bachelor credits at Fairleigh Dickinson University & Master's credits at Eastern Kentucky University.**

The LPC course is composed of 6 modules, 31 sections, nearly 1200 pages of text with curriculum focused on Leadership Principles, Business Principles, LP Operations, Safety & Risk Management, Crisis Management and Supply Chain Security. Each module includes section review questions, practical applications, and a practice exam at the end of the course. The course is delivered 100% online, includes video demonstrations & pictures. It is self paced with no hardcopy or CD. A study gopher allows for note taking which can be printed.
