Become a new Vector Security customer and control your home security system and home automation features using just your voice.

With your **FREE* Amazon Echo Dot**, simply ask us and we'll do the rest.

FREE**

**INSTALLATION FOR HOME AUTOMATION PACKAGES
STARTING AT \$49.95/MO.**

Turn on your lights—Are your hands occupied preparing a meal or working on a project in the garage? Just ask, and Vector Security will turn the lights on or off for you.

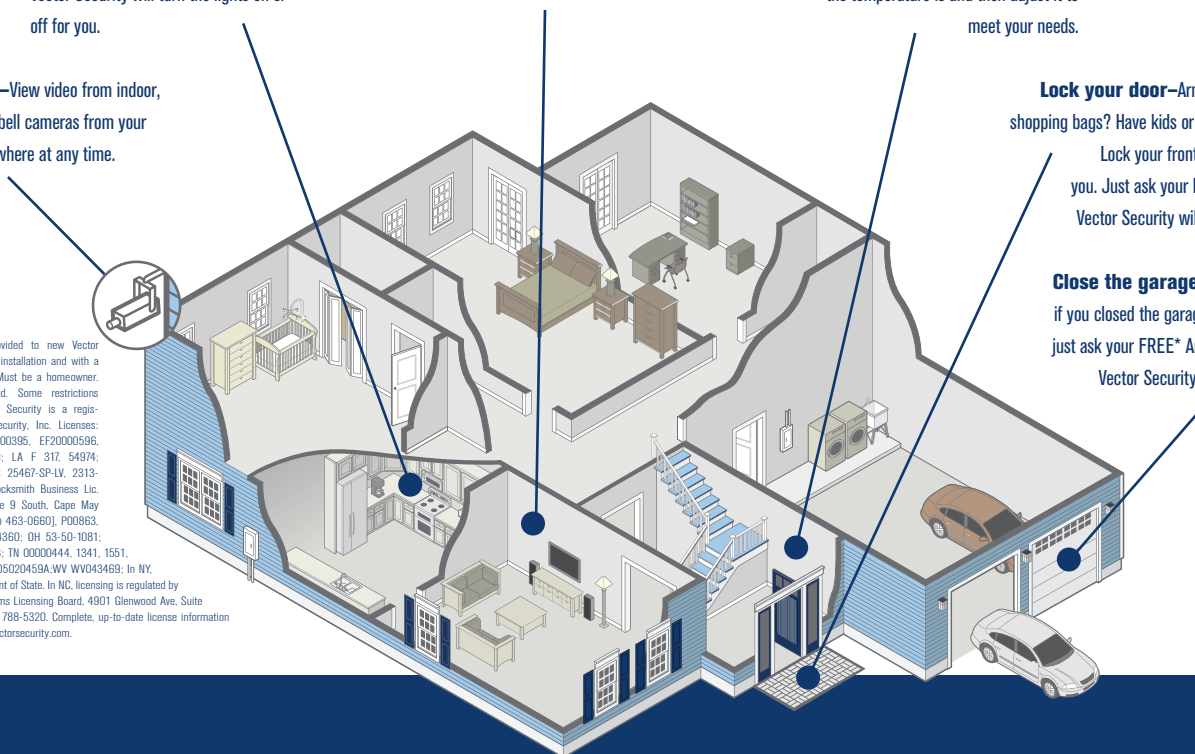

Arm your security system—Settled in for the night? No need to get up. Arm your security system with a simple voice command and relax with peace of mind.

Adjust your thermostat—Make your home the perfect temperature. Ask what the temperature is and then adjust it to meet your needs.

Record video—View video from indoor, outdoor and doorbell cameras from your smartphone, anywhere at any time.

Lock your door—Arms filled with shopping bags? Have kids or pets in tow? Lock your front door behind you. Just ask your Echo Dot and Vector Security will do the rest.

Close the garage door—Can't recall if you closed the garage door? No worries, just ask your FREE* Amazon Echo Dot and Vector Security will close it for you.

*Free Amazon Echo Dot provided to new Vector Security customers at time of installation and with a signed 36-month contract. **Must be a homeowner. 36-month agreement required. Some restrictions apply. Call for details. Vector Security is a registered trademark of Vector Security, Inc.
